

"Make a Teacher's Wish Come True"

Improving education for children and helping families stay in their own country, which most want to, is something we can all support. Dodie Weiland, as part of the PW USA Mission Experience recently visited our Missionary Partner, Mark Adams, Coordinator of Frontera de Cristo in Agua Prieta, Sonora, Mexico and discovered a real need for educational, recreational, and food supplies at the Children's Enrichment Ministry centers.

This Children's Enrichment Ministry was awarded a 2021 PW Birthday Grant to start a center to feed and educate children during the 1/2 day they are not in school (as Mexico schools are overcrowded, understaffed, with too few facilities to provide full day instruction in this locality).

You can make a teacher's dreams come true this holiday season by purchasing any items from the Amazon Wish List link below, from your private Amazon account, and it will be delivered directly to the Frontera de Cristo office in Douglas, AZ for distribution.

Please prayerfully consider if you can help through purchases and/or prayer for this ministry. More information on this and other USA Mission Experience learning's and actions will be provided at the PW Mission luncheon at noon on Tuesday, February 27 or you can call Dodie Weiland at any time on 816-210-3646.
