Wishing you all a very Happy New Year!

As we welcome 2024 I want to re-emphasize our theme for this year, "Staying Connected". We have so many great opportunities to welcome into our PW sisterhood new members, chapters, and new ways to share the good news of God's love. I am very excited to work beside each of you this year to share, learn, and grow together in our faith and faithfulness to deliver on our PW purpose.

Our new Grand Canyon Presbyterian Women's Web Page is up and running! Please go to: www.azpresbyteries.org, select "Ministries", click on "GC Presbyterian Women" to:

1. **View and contribute to pictures/videos/announcements of PWPGC Gatherings and any upcoming events at your church open to all PW sisters.** (Please note the new flier announcing the changed date for our Spring Gathering, April 13th) still at Orangewood, is on the website and we anticipate registration forms will be available to download or register online by February 17.)
2. **Attend and/or sign up for new USA Mission Experience presentations for your church or organization. You can also donate to a special "Amazon Wish List"** to help meet the needs of Frontera de Cristo Children's Enrichment Center (PW Birthday Grant recipient in 2021).
3. **Stay informed and get quick access to PW resources** (like the attached PW Pledge Form, fliers, newsletters, etc.) from PWP, Synod of the SW and Churchwide at the click of one button!

All of these activities, and so much more, are only made possible through your generous support of our Annual Mission fund which supports our PW Presbytery of the Grand Canyon, Synod of the Southwest, and Churchwide activities. **Attached, for your convenience, is our modified Pledge Form which now requests your 2024 Pledges by February 15** so we can budget for the year ahead. Good planning and funding is especially important this year as we know your PW groups, the Presbytery, and the Synod all desire to financially support members wishing to attend the Churchwide Gathering in August. It is an amazing event in St. Louis that I highly recommend for all.

Your generous support makes this and other PW goals this year possible. If the timing of the actual donations, suggested on the form, do not work for your organization calendar just advise our treasurer, Carol Hammond, so we can plan accordingly.

Please join me in sharing my enthusiasm with your PW groups for all that is possible in 2024 as we work and connect together. I welcome all your comments and suggestions, via phone or email below (also one click on the website) to share how this Presbytery can best meet your PW needs.

May God bless you and provide peace and love for all in this new year,

Dodie Weiland, PWPGC Moderator, dweiland1@gmail.com, 816-210-3646
