All new congregations begin as new worshiping communities but not all new worshiping communities will become congregations. This grant is intended to help you develop the direction in which your ministry will grow.

New worshiping communities (NWC) may apply for a one-time Seed Grant of up to \$7,500. Matching funds are not required. Please see attached definition of a NWC. This application is available from the [Mission Program Grants Office website](#) and allows the writer to add typing space as needed.

Being the church in the 21st century requires faithful creativity, innovation and entrepreneurial leadership to reach new generations and populations. This grant is designed to encourage the birth of new worshiping communities through congregations and presbyteries rather than to fund the expansion or support of existing congregations or programs.

In all cases, applicants for a Seed Grant will have spent time in prayer, discernment and fact-finding regarding your call to address spiritual and/or physical needs in your communities and the resources necessary for your outreach. If the Holy Spirit is prompting your team to plant seeds, a NWC Seed Grant may help with initial steps toward that vision. If there is an expectation of applying for additional NWC grants, please use [Starting New Worshiping Communities](#) to assist with the discernment process.

Additionally, we offer a **Health Insurance Grant** that provides supplemental funding to the partner congregation and/or presbytery in support of a NWC leader who would not otherwise be able to afford health insurance. This

annual grant is for up to \$1,500 and is twice renewable. The application is available at the [Mission Program Grants Office website](#).

Please answer the following questions in narrative form.

1. Describe your discernment process.
2. How does this ministry fit, or intend to fit, each part of the definition of a new worshiping community?
3. How are you supported by and accountable to your partner congregation, your presbytery, and/or synod?
4. How will you know if you are succeeding and how you will adapt if you are not?

Note: Photos and/or videos are appreciated but not required.

Please list below any funding that the New Worshiping Community is providing and funding that is expected from presbytery and/or synod, if any. Please list under "Seed Grant," the amount that you ask the Presbyterian Mission Agency to disburse in support of the NWC. Finally, if another entity is providing resources, please list the amount under Other.

The Office of Mission Program Grants makes grants in support of ministries that are related to the Presbyterian Church (U.S.A.). If a supported ministry separates from the denomination, the full amount of the grant may become due and payable.

After obtaining appropriate partner congregations and presbytery's approval and signature, e-mail as a single attachment the completed proposal to [Tim McCallister](#) and [Bill Moore](#) at the Mission Program Grants office. Disbursements for approved proposals will be made once leadership has started.

Guidelines & Application Instructions for New Worshiping Communities Grants

These grants are intended to support operating/program purposes such as salary and benefits, insurance, rent, educational materials, etc... These grants are limited to new worshiping communities that are related to the Presbyterian Church (USA), located within the United States and Puerto Rico and were ordinarily established no earlier than July, 2010.

A New worshiping community may receive a cumulative grant amount of no more than \$57,500 from any combination of NWC grants.

Applicants may apply for a one-time Seed Grant of up to \$7,500 and may do so at any time. Matching funds are not required.

One year after receipt of a Seed Grant, a NWC may apply for an Investment Grant of up to \$25,000. Approval of Investment Grants is conditioned upon real progress toward completing the discernment process set forth in "[Starting New Worshiping Communities](#)." Investment Grants ordinarily require a dollar-for-dollar match provided by the combined contributions of the partner congregation and presbytery and/or synod. In-kind contributions for the match are acceptable. Waivers of the match will be considered on a case-by-case basis, upon request.

For the Investment and Growth Grants, it is a requirement for the Stated Clerk to have completed the Office of the General Assembly Church Change Form (CCF) on behalf of the project to be supported and prior to making application.

Eighteen months after receipt of an Investment Grant, a NWC may apply for a Growth Grant of up to \$25,000. Growth Grants ordinarily require a dollar-for-dollar match provided by the combined contributions of the partner congregation and presbytery and/or synod. In-kind contributions for the match are acceptable. Waivers of the match will be considered on a case-by-case basis upon request.

As an expression of connectional stewardship it is encouraged that grant recipients commit to "paying it forward" to the Extra Commitment Opportunity account found at <http://www.presbyterianmission.org/give/E051547/>. Your support will help provide future funding for the establishment of new congregations, new worshiping communities like yours, and presbyteries that wish to encourage continual congregational transformation. Please help to continue this important work for the Kingdom of God.

Long Definition

- **New**
 - **Seeking to make and form new disciples of Jesus Christ**

NWCs witness in word and deed (1 John 3:18), continuing Jesus' own mission of discipling, feeding, teaching, healing, welcoming, crossing boundaries, and proclaiming God's coming realm. Those with new and renewed faith join the Spirit's transforming work in the world.
 - **Taking on varied forms of church for our changing culture**

Living out the Gospel demands ministry which engages today's cultures (John 1:14). New ways of joining Christians together for contextual ministry will use current and historic ways of "being church" as springboards for creative innovation (Matthew 9:17).
- **Worshipping**
 - **Gathered by the Spirit to meet Jesus Christ in Word and Sacrament**

We seek to hear, come to believe, and are equipped to live the promises of God revealed in the scriptures of the Old and New Testaments. NWCs welcome new members of the body of Christ (1 Cor. 12:27) through Baptism and are nourished by Christ's spiritual presence in the Lord's Supper.
 - **Sent by the Spirit to join God's mission for the transformation of the world**

The Spirit impels us outward, so that worshipers participate in the redemption of the world in Christ (Col. 1:20). Therefore, the primary beneficiaries of the NWC are not its own members, but rather its community and world.
- **Community**
 - **Practicing mutual care and accountability**

We commit ourselves to love one another (John 13:34) in relationships of mutual care and accountability, as faithful disciples of the Lord Jesus Christ. Entrusting ourselves and the church to the Holy Spirit, we seek to grow to maturity in faith and life.
 - **Developing sustainability in leadership and finances**

As distinct yet connected expressions of the body of Christ, NWCs have local leadership arising from their own community of faith (Exodus 18:21). Pastoral leadership, facilities, and programs are all appropriately structured in order to demonstrate good and faithful stewardship.

Responding to Christ's gift and call, we do all these things only by God's grace, seeking—above all else—to glorify God through Jesus Christ in the power of the Holy Spirit.
